senates to ensure that faculty voices are heard in the halls of government and across the state.

What We Do

FACCC is dedicated to representing your interests in state and federal government. Its professional staff and volunteer leaders testify at hearings, meet with legislators, and organize policy forums to promote the message of community college faculty.

Article V, Section 2. (d)

The Board of Governors shall normally consist of the positions identified in paragraphs (a), (b), and a Contractual Membership agreement to have a designated representative from that district (hereinafter “Designated Representative”) participating in Board of Governor meetings and other activities. To this end, for each Contract Member, the Board of Governors shall have the option of opening an additional Designated Representative position as a voting member of the FACCC Board of Governors. Before March 1 of any year the Contract Member union’s Designated Representative term expires, the union president of the Contract Member union will inform FACCC’s Executive Director of which of the following three methods it will employ to select its Designated Representative for the following year. Each Contract Member union will select one of the following three options:

- 1. The Contract Member union assigns a member to serve as that Contract Member union’s Designated Representative to be seated on the Board, pending approval by majority vote of the Board.

2. The Contract Member union holds an internal election to determine who it will assign to serve as that Contract Member union's Designated Representative who will then be seated on the Board pending approval by majority vote of the Board.
3. The Contract Member union determines it will select neither of these options, but rather will participate in the regular FACCC election process. In the event that the The Contract Member union is without a Designated Representative after the election concludes despite having run a candidate or candidates for any of the positions described in paragraphs (a) and (b) above in the most recent election, the Contract Member union shall designate a member to serve as that Contract Member union's Designated Representative to be seated on the Board, pending approval by majority vote of the Board.

In each case, should the nominee not receive Board approval, the Contract Member union shall have the right to repeat the nomination/approval process until a representative is seated. Note that an unrepresented Contract Member union shall forfeit its right to this optional Designated Representative position on the Board of Governor seat if it fails to choose one of the three options set forth in this Section.

A "Designated Representative" must be a bona fide faculty member of the Contract Member-union.
