Meeting Content Details

Social Media Communication

Anna Mathews stated that they had approximately 100 participants for their SB444
email campaign and suggested sharing this achievement on social media.

SB444: Student's Emergency Grants Bill

- The bill, identified by Oranit Limmaneeprasert as AB 943 from 2019, was discussed.
 Wendy Brill-Wynkoop and Bob Stockwell discussed this student emergency grants bill they co-sponsored with CFT.
- A bill following up on students' emergency grants was proposed.
- The importance of following up on outcomes of bills that have been passed was noted, with the potential for "study bills" to be raised for future sessions.

Advocacy Topics

- Legislative priorities were addressed, referencing the <u>link to survey summary results</u>.
- Potential steps based on the survey results were reviewed by Wendy Brill-Wynkoop, including possibilities of repealing/reforming 705/1705, improving repeatability, expanding BA degrees, and considering a bond bill.
- The committee considered whether recent bills were being complied with in their respective districts.
- Discussions included use of lottery funds for basic needs and noncompliance with the county liaison bill.
- 2024 Legislative Priorities identified

- Insert "human" into distance education language in Ed Code
- Faculty Trustee with an advisory vote on local boards
- o Study bill regarding unhoused students and barriers for students 25 years and up
- o Countering attacks on the 50% law
- Future bill ideas and other
 - Expanding BA degrees need to look at FACCC Policy paper and build a coalition
 - o Childcare expansion budget process
- Organizational Capacity & Legislative Priorities
 - The need for strategic framing of legislative priorities was highlighted by Sarah Thompson due to predicted conflicts with the budget and the chancellor's office regarding the **50**% law.
 - Wendy Brill-Wynkoop stressed the need for strategic planning due to limited organizational capacity and upcoming organizational changes, such as a new advocacy team, Evan's departure, and the appointment of a new executive director.
 - Wendy Brill-Wynkoop referred to the potential of future cooperation with union partners through bill co-sponsoring.

Audit on the 50% Law

- Sarah Thompson and Dave Fouquet studied district expenditure trends, showing the
 decreasing percentage dedicated to instruction. The data suggests that only 46% of the
 unrestricted total and 35% of all expenditures are used for instruction in 2021-22. They
 proposed district-wide audits to verify this trend.
- A consensus was reached to compile a report for the entirety of the system, initiated by Wendy Brill-Wynkoop, with Oranit Limmaneeprasert.
- Concerns about protecting categoricals such as EOPS were expressed.

Future Meeting Tasks

- Town Hall scheduled for October 3rd at 6pm.
- Wrap up the legislative priorities at the October 9 meeting
- November and December work on a position paper on community college funding, including their stance on the 50% law.
- Sarah Thompson will be sharing the chart data after confirming some points with Dave.

Suggestions for Future Meetings

 Most November and December meetings could focus on the budget paper policy, with Wendy Brill-Wynkoop suggesting a special meeting following the governor's budget announcement in January or February.

ID.me System Discussion

• The ID.me system was examined, discussing its potential effects on enrolment for groups like the undocumented, the formerly incarcerated, and foster youths.
