

Sep 5, 2024 | 📅 FACCC Policy Committee

Attendees: John Freitas K. Frindell Teuscher Ian Walton Oranit Limmaneeprasert  
Wendy Brill-Wynkoop Anna Mathews Joseph Bielanski

#### Notes

- Policy Committee members introduced themselves
- Discussion regarding AB 1705 policy paper board edits
  - Specifically in context of ESL-related edits made by the board
  - AB 1705 Policy Paper edits unanimously approved by Policy Committee
  - Policy Committee intends to look further into:
    - The impacts of AB 1705 on calculus
    - ESL programs
    - The way in which AB 1705 is measured
- Ideas for policy papers
  - Closer look at impacts of AB 1705 on ESL
  - Closer look at impacts of AB 1705 on STEM, namely forcing students to start in Calculus
  - The faulty way the Chancellor's office measures data pertaining to student success in sequences affected by AB 1705
  - Chancellor's office role in System Governance
  - Bring back the concept of Education as a Public Good - (involve CSU and UC)
  - Common Course Numbering
  - Structural barriers to student success - student initiative?
  - Philanthrocapitalists - Tech and Student Loan industries - money and policy funneled through foundations
  - Consequences of the Special Interest Policy Cycle
  - Who does the Chancellor's Office listen to - no longer Consultation Council
  - What is Student Success? Revised for 2024
  - Chancellor's office relationships with corporations - ethics?
    - Too cozy with corporations
  - Imbalance of power between segments - leveling the existing imbalance - everything falls on CC's
  - Articulation - IGETC not going to count anymore

- Policy Forum date decided for February 1st
  - Will talk about the topic and set times next month
